

Before you send your handsome son or beautiful daughter to prom, use these tips to ensure that they are in good hands with a hired transportation company!

## ASK QUESTIONS ???

- How long have you been in business?
- Are each of your drivers licensed and insured?
- Are each of your busses licensed and insured?
- Since this is a group of high school students, will you allow them to bring alcoholic beverages on the bus? Will you be checking bags, coolers, etc?
- If the driver suspects that there is underage drinking occurring on the bus, what is their protocol?
- What will your driver do if my teen asks to go somewhere that is not on my pre-approved list of locations?
- Do your chauffeurs/drivers have to pass drug tests?
- Exchange phone numbers with the driver and encourage them to call you if there are any signs of underage drinking or other illegal behavior.
- Provide the addresses for the prom and after prom and instruct the driver to only go to locations you approve.
- Ask the company to not use the privacy screen so that they can be fully aware of what is happening in the vehicle.
- Give the transportation company a curfew and set designated times that you want the vehicle to arrive at specific locations.
